other viewers pasting statements stating that "Our time is up" I have also been subjected to unknown substance being placed on my office door that has made me physically ill. I also found a listening device on our premises, tampering with our security system, disabling our cameras as well as strange men lurking outside our office building when we leave that has made me fear for my safety. His blatant disregard for spreading gossip as truth has put my life + livelihood in jeopardy so that he can gain more viewers for his blog. His obsessive harassment + commitment to spreading these falsehoods can only be motivated by his need for attention, validation and retaliation for being terminated from his position at local 689 in August 2021. I have never met Mr. Hobson however he speaks lies about illegal actions telling his viewers I have taken, which are lies. I was newly hired only a month ^{before} he was terminated. He is creating unprecedented damage to my reputation deepening relationship wounds between the organization + its membership for which I was hired to help improve. From his constant behavior I am concerned that he may ^{not} be mentally stable and that his continued actions could result in another attempt on my personal + financial security.

running a ponzi scheme and stealing money. I have never met Barry Hobson. I am unsure as to why he is using this "hate blog" to tarnish my reputation. However, his action has put my safety at risk. On Monday, 3 days after his most recent hate blog about me, upon leaving work an unknown man dressed in black with a beige back^{pack} was at my car waiting. Luckily, the ~~house~~ cleaning service company was in close proximity and was able to hear me call his name for assistance. The man went away after he saw I had assistance. Also, during Barry Hobson's live on the hate blog people were commenting & inquiring about my date of birth, where I live, if I was married, & other identifying information. Barry continuous ~~h~~ harrasment has made me fear for my life. On or about 2/14/22 - Barry Hobson conducted a Blog & posted my salary. On 3/5/2022 (or about) He screened shot my LinkedIn and posted to his hate blog. His action immediately following his hate blog, my

I do not know Barry Hobson. However, I do know that he is an ex-employee to the Local 689 Union. I was hired as the Executive Director for Transit Employees' Health and Welfare Plan on 12/6/2022. I was contacted by telephone or I found out that Barry Hobson was posting about me via his hate blog from my staff Donna Jeffries on 1/4/2022. She informed me that this was a blog dedicated to spreading lies about anyone Barry Hobson had a vendetta against and unfortunately "I was his next victim". Since Barry's original post on 1/4/2022, he has posted on his hate blog about me about 10-15 times (which is extremely excessive and shows his obsession and he does not know me and have never personally met me.
